

Only the principal of a Georgia Public school should fill out this application.

School Name:

School Phone:

District:

Principal Name:

Principal's email address:

What type of schedule does your school operate on (block/traditional):

Number of anticipated users:

Comments or requests (optional):

The password to access the premium shared resources will change periodically. You must provide the name and email address of the account manager we should send the updated passwords to who will then distribute the password to the rest of the staff. It is recommended that this be the same person who updates the staff on password changes for Galileo.

Account Manager's name:

Account Manager's email address:

Signature of Principal:

Date:
